Beekeeping Taster Days 2012

at Rowen Memorial Hall and Tal y Cafn Apiary, Conwy Valley.

Saturday 14th April or 16th June or 25th August.

Our popular Taster Days are a one-day introduction to beekeeping for people with no previous experience of handling bees

We will cover the different types of bee, types of beehive, personal safety, how to set up an apiary, how to handle bees, honeybee health, the different types of honey, and how to deal with the honey harvest.

The day will be led by Jonathan Garratt, our local Seasonal Bee Inspector, with assistance from members of Conwy BKA.

We will provide you with bee suits and gloves for the afternoon session with the bees.

Please bring your own wellies.
